Handouts: Agenda, Meeting Minutes

Chair Budelmann introduced herself and informed members that attendance would be taken after the meeting. A **motion to APPROVE the April 2020 meeting minutes** was made and minutes were approved.

Jim Houghton provides members with the status of the FY2020 JJ Formula 3-Year Plan submission, informing them that it was submitted at the end of March 2020. After receiving a letter from OJJDP, Massachusetts is still out of compliance for sight and sound separation and received a penalty of a 20% cut in funding. The OGR was awarded \$621,877.00, however the funds were put on hold until October 15, 2020 due to the transition from GMS to JustGrants. Mr. Houghton also informs members that the OGR is still operating with FY18 funds, with FY20 being the third year of the 3-Year Plan. October 1, 2020 will mark the first year for compliance monitoring cycle.

Patricia Bergin discusses the data trends that she has been able to collect for that section of the 3-Year Plan. Arrest rates are down by 80%, there is a 71% reduction in juvenile arrest rates for criminal offenses, and a 77% decrease in juvenile delinquency cases from 2019 to 2020. Ms. Bergin also informs members that a large amount of youthful offender rates is showing racial disparities throughout counties in Massachusetts.

Ms. Bergin provides update on RED, and informs members that the OGR collaborates with JDAI, DYS and several other agencies to discuss what programs each agency is offering for juveniles. A Racial and Ethnic Disparities working group has been formed, with history of racism in America being a big discussion topic. Ms. Bergin expresses the need for a RED subcommittee and asks members to let her know if they are interested in taking part, while informing them that the Center for Juvenile Justice Reform from Georgetown is a great article to look at.

Lynn Wright discusses updates on the FY2021-2023 JJ Formula 3-Year Plan informing members that federal contractors came in to teach the OGR more about the plan and what needs to be included. Ms. Wright also informs members that the OGR doesn't plan to completely change the priorities of the plan, and that we are hoping to be in compliance with sight and sound separation. The OGR is interested in hiring a diversion coordinator to get youth out of the courts and potentially reduce violations.

Ms. Wright informs members that we will be sending out an email/survey to see who is interested in being involved in the 3-Year Plan and the RED portion of the plan. Ideally, these two subcommittees could meet once or twice a month virtually to discuss next steps. For now, we will wait for comments from member via email, reevaluate and discuss before submitting. Ms. Wright goes over other save the dates with members, reminding them to register for the OJJDP National Conference. Samantha Frongillo will email information to members, and members can email Ms. Frongillo for reimbursement if attending.

Ms. Budelmann informs members that we will be sending out an email to discuss the next JJAC meeting, subcommittees and registration details for the conference. Any questions can be sent to Ms. Frongillo via email.

Meeting Adjourned.
